

# Stand up for Labor Rights & Human Needs!

*Sisters Organize for Survival (SOS), a campaign of Radical Women, has been pushing for a united effort of workers, women, people of color, immigrants, students, and the poor to save jobs and vital services. Now it's starting to happen!*

*We call on WA legislators to "Flip the Funding" — stop taking care of business and start taking care of people by ending all business tax exemptions and canceling interest payments on state debt for the biennium. Lawmakers must demand an end to U.S. wars, with military funds redirected to states.*

**Join SOS at these important mobilizations:**

## APRIL DAYS OF ACTION

**Fight back against cutbacks & corporate control!**

**4 days of rallies, actions & no-business-as-usual  
at the Capitol Campus, Olympia**

*Come any or all days! Most activities start at noon.*

- End corporate loopholes and give-aways to big business.
- Stop scapegoating public workers, immigrants and the poor.
- Don't balance the budget on the backs of women, people of color, and the most vulnerable.
- Defend public schools and affordable tuition.
- Hands off collective bargaining. No layoffs or givebacks! Create jobs!

### **Tues., April 5 - Day of Action Against Budget Cuts**
